## MEMORANDUM

To: Michael Sherer, Executive Director  
West Central Development Council

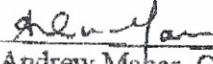

From: Andrew Manar, Chairman of the Macoupin County Board

RE: Appointments to WCDC Board

This memorandum shall hereby serve as official notice to the West Central Development Council that I, as Chairman of the Macoupin County Board, have chosen to make the following appointments to the West Central Development Council Board:

- Robert Quarton to serve as the representative of Macoupin County for a term effective January 1, 2012 through December 31, 2012.
- Paul Quirk to serve as the representative of Macoupin County for a term effective January 1, 2012 through December 31, 2012.
- Michael Zippay III to serve as the representative of Macoupin County for a term effective January 1, 2012 through December 31, 2012.
- David Thomas to serve as the proxy representative for Macoupin County Board Chairman Manar for a term effective January 1, 2012 through December 31, 2012.

The aforementioned appointments to the West Central Development Council Board were made and approved accordingly at the January 10, 2012 meeting of the Macoupin County Board.

## Objective

---

I am looking to fill the vacant seat on the Macoupin County Emergency Telephone Systems Board. My strong background in technology and communication would be an asset to the families and businesses of Macoupin County.

## Experience

---

### Microcomputer Support Specialist III, University of Illinois Springfield

February 2009 - Present

As a Media Specialist I work with converting and transcoding audio and video to make available for Faculty, Staff and Students. I also work on the Mac Support Team: Level2 where I troubleshoot and repair issues. Another major part of my position is documentation and training.

### Technology Coordinator for the Tuscola School District

March 2001 – February 2009

As the Technology Coordinator for the Tuscola Schools I had to troubleshoot, maintain, and purchase all different types of Technology. I was the Network Administrator, Helpdesk Support, Hardware / Software Evaluator, Telecommunications Liaison, Grant writer, and many other duties related to the job.

## Education

---

Bachelor of Arts in Communication  
University of Illinois Springfield

In Progress

Associates in Applied Science in Computer information Systems  
Parkland College

December 2004

## Job Duties I Perform(ed)

---

- Develop Training Materials
- Explore and Evaluate Emerging Technologies
- Lead Workshops / Trainings
- Coordinate trainings
- Support and Troubleshoot End User situations
- Assist and Coordinate with parents and students for PowerPoint Presentation
- Write and Maintain District Technology Plan
- Maintain the District's Acceptable Use Policy
- Work within a Budget
- File State Grants
- File Federal E-Rate forms
- Support and Coordinate technology at Athletic events
- Design, Develop, and Maintain Websites
- Sustain Local Area and Wide Area Network
- Maintain 7 Servers and 300+ Workstations
- Research Software and Hardware
- Recommend and Purchase new Software and Hardware
- Direct the installation and setup of new phone systems
- Apple Mac Support
- iTunes Support
- Flash Production
- Media Transcoding
- Consult with Faculty on Technology Integration
- Assist in Supervision
- Evaluate, Use, and Train on Social Media
