Attached is a list of our rules governing the County Board. Listed below is one proposed changes to current rules that I would like for the Board to consider at the February Board meeting.

Changes are underlined and in bold, while the stricken text would be proposed deletions.

Rule #11: Upon recommendation of the Executive Committee, this rule change would clarify that the request to vote by "same roll call" following a unanimous vote of all members present shall not be impacted when alternating roll call between alphabetical and reverse-alphabetical order. Voting by "same roll call" is only allowable within the same order of business - this remains the same.

Proposed New Rule #11:

11. The Clerk shall alternate the calling of the roll when a roll call is necessary between alphabetical and reverse-alphabetical. Requesting of the "same roll call" on any vote within the same order of business shall not be impacted by this rule.

Please contact me should you have any questions.
