Dear Ms. Albrecht:

Pursuant to Public Act 97-905, by April 1 of each year, each Zone Administrator must file with the Illinois Department of Commerce and Economic Opportunity (ILDCEO) a fee schedule for his/her enterprise zone, and ILDCEO must review and approve it. Specifically, the Act requires:

*(20 ILCS 655/8.2 new) Sec. 8.2. Zone Administrator*

*c) By April 1 of each year, each Zone Administrator shall file a copy of its fee schedule with the Department, and the Department shall review and approve the fee schedule. Zone Administrators shall charge no more than 0.5% of the cost of building materials of the project associated with the specific Enterprise Zone, with a maximum fee of no more than \$50,000.*

This is to acknowledge receipt of your letter stating that the Macoupin County enterprise zone does not charge any fees. Therefore, the Department approves your fee schedule.

Sincerely,

Mark C. Gauss  
Enterprise Zone Administrator
