RE: State's Attorney mid-fiscal year budget report

Dear Committee Members:

First, I would like to apologize for not being able to attend this meeting to present my mid-point budget to you in person. I have felony court that has been set and docketed for several weeks scheduled.

However, I am pleased to inform you that I am on track to have a balanced budget this fiscal year. Thanks to a federal grant that the office received, we should not have any kind of shortfall.

If you have any questions, please contact me directly at the number listed above.

Respectfully Submitted,
