HOW TO FILE A FREEDOM OF INFORMATION REQUEST

1. Please make your request for records in writing to the appropriate Freedom of Information Officer for each office. The Freedom of Information Officers for each office/department are listed on the three pages following this page. You may submit your written request by mail, fax, or e-mail (as listed).

2. Please be as specific as possible when describing the records you are seeking. Remember, the Freedom of Information Act is designed to allow you to inspect or receive copies of records .

It is not designed to require a public body to answer questions. To the extent that you wish to ask questions, please contact the appropriate county office.

3. Please tell us whether you would like copies of the requested records, or whether you wish to examine the records in person. You have the right to either option.

4. There is no fee for up to 50 pages of standard paper copies. For page(s) beyond 50, there is a charge per page.

5. You are permitted to ask for a waiver of copying fees. To do so, please include the following statement (or a similar statement) in your written FOIA request: "I request a waiver of all fees associated with this request." In addition, you must include a specific explanation as to why your request for information is in the public interest-not simply your personal interest-and merits a fee waiver.

6. Please include your name, preferred telephone number(s), mailing address, and, if you wish, your electronic mail address.

7. Upon receipt of a FOIA request, in accordance with 5 ILCS 140/3, the public body will promptly either comply or deny a request for records within 5 business days after its receipt of the request unless the time for response is properly extended per terms of 5 ILCS 140/3 subsection (e). In instances where additional time is required, the public body will notify the person making the request of the reasons for the extension and the date by which the response will be forthcoming per 5 ILCS 140/3 subsection (f).
